

Find Your Flow

- Do you know your path of least resistance to Wealth?
- Is your Wealth strategy based on your profile?
- Do you know which people you can model effectively?
- How to select business partners and build a team?
- Have criteria for making decisions at critical moments?
- Understand how to leverage your true value?
- Know how to create a lasting legacy in your life?
- Have a strategy to keep learning at a deeper level?

True Wealth is found in leveraging your value. Wealth Dynamics shows you how.

Wealth Dynamics combines Asian and Western insights from the history of *Flow*, with practical tools and business models from the modern world's most successful entrepreneurs. Wealth Dynamics founder Roger J. Hamilton, author of *Your Life Your Legacy*, has captured the elements that enable you to understand and succeed in your path as a *Creator, Star, Supporter, Deal Maker, Trader, Accumulator, Lord, or Mechanic*. Leverage your value while helping others to do the same. Wealth is your inherent capacity to create and leverage value in life, not just the money you have in the bank.

William Reed is certified as a Senior Practitioner in Wealth Dynamics, and a Keynote Speaker for the Japan Wealth Dynamics Association. He studied at the Wealth Dynamics Entrepreneurs Business School in Bali, has been an entrepreneur for over 25 years, and is one of the pioneers in bringing this process to Japan. As an entrepreneur with a *Creator Profile*, he has traveled his own Creative Career Path for many years applying insights and tools for entrepreneurs at the creative edge.

- As a Senior Practitioner in Wealth Dynamics, William Reed certifies and coaches Practitioners in the process. As a consultant, he helps companies use Wealth Dynamics in team building and Human Resource planning.
- As a writer, he has a syndicated column both online and in the Daily Yomiuri Newspaper called *Creative Career Path*. With his background in Creativity, Martial Arts and Calligraphy, he brings a dimension of depth in presenting the concepts of Wealth Dynamics.
- He is working with a key collaboration partner in introducing a software and coaching program that will help people discover wealth through *resonant profitability*, and leverage their success as an entrepreneur or as an individual on a Creative Career Path.
